Stefan Andersson

Em

Dear God  
did you throw away the toys  
you played with as a boy because you got too old  
Dear God  
you're not easy to believe in, not easy to deny  
I'm caught up in between

Am

Oh Lord  
why keep the truth in chains  
It's getting to my brain though you're the one insane

Em

Dear God  
forgive the little man who doesn't understand

Cmaj

such a great masterplan

G

I thought I heard you say

Em

The situation is under control

Hm

D

just sit back, relax and let me take you home

Em

Dear God  
were the hell where you today  
I shouted out your name, a friend just passed away  
Dear God  
it might mean nothing to you  
but everything to me, this is my life you see

Am

Oh Lord  
are you punishing today  
things I might have said or done yesterday

Em

Dear God  
forgive the little man who doesn't understand  
such a great masterplan

G

I thought I heard you say  
The situation is under control  
just sit back, relax and let me take you home  
The situation is under control  
yeah I've been trained for years  
for situations like this
