

Dreaming

Stefan Andersson/Terry Cox

Intro **Em**

Like the dark before it knew the miracle of light
C
Or silence before it heard the sound that formed the night
D
Before the moon and stars, before you woke my heart
Em
there was only dreaming

Like the day before tomorrow, like clouds before the rain
C
Like time before forever and life before you came
D
Like breathlessness before I could feel you breathing
Em
there was only dreaming

For all the waking hours, the hours that I spent
Cmaj7 **Em**
For all the memories I'd been keeping
Cmaj7 **D**
I never will forget the moment that we met
Cmaj7 **Em**
The moment that I knew, I just knew that I'd, I'd been sleeping
